SUBJECT: GREECE: DEMARCHE DELIVERED ON UN REFORM

REF: SECSTATE 31831

Poloff delivered the reftel demarche to Deputy Director Alexandros Rallis at the MFA Directorate for International Organizations on March 15. Rallis had no specific response at this time. However, he told us that he would include the points in a dossier he was preparing for the Foreign Minister's trip to the United States March 19-23, specifically for her meeting with the UN's Secretary General.
